Hi Christie,

I don't have an email but he should be on Nebraska DOC's website: <http://www.corrections.nebraska.gov/>

Once you decide you'd like to tour the step-down program, just give a call back here – probably the main communications line is best – [360-725-8212](tel:3607258212). We'll help coordinate logistics with the facility.

Meantime, here's some data for you:

Calendar Year of Prison Release	Number of Offenders Releasing from Maximum Custody
2009	98
2010	92
2011	81
2012	65
2013	35
2014	44

Let me know if you have other questions, please.

Cheers,

Norah☺
