Hi – I meant to include this breakdown of the Excel sheet. Here are the annual numbers of prisoners released into society from a SHU.

2008 - (27)

2009 – (27)

2010 - (32)

2011 – (27)

2012 – (11)

2013 – (7)

2014 – (3)

Subject: releases from segregation

Hi Scott,

Thanks for your help on the phone just now. Here's a more detailed description of what I'm looking for:

the monthly or annual (whichever is easier) number of inmates released directly from any kind of segregated housing unit (disciplinary, administrative or protective) into the community from 1/1/08 to present (2/25/15). If possible I'd be interested in a breakdown by the type of releases: parole, community supervision, probation or mandatory discharge.

If these numbers aren't available, please let me know what kind of statistics the department does track related to releases from segregation into the community. Feel free to give me a call at any point if I can help clarify anything.

Thanks so much for your help, and I look forward to hearing from you.

Best,

Christie

Thanks Scott! So just to clarify - there have been no releases from SMU on parole or other kinds of court supervision since 2008?

Appreciate your help,

Christie
